#### Lab Ordering Protocol:

1. Please send ALL signed lab orders to [sanantonio@inspirediagnostics.com](mailto:sanantonio@inspirediagnostics.com)
2. Include in ALL orders: Patient demographics w/ insurance, signed, and dated lab order with ICD codes included. Keep in mind the order will not be processed for scheduling if the request is not completed with the above.
3. FOR URINE COLLECTION: Please schedule Monday – Wednesday for pick-up, as the sample is ONLY viable for 24 hours. (Please instruct patient/caregiver/nurse to contact us as soon as void occurs to ensure efficient collection)
4. Please note for specialty labs, these may take up to 96 hours for results. Routine labs generally result 24-48hrs after collection.
5. In the event of contamination of a sample, the phlebotomist will go out to recollect the sample the same day or the next day of notification from the lab.
6. Call Donai @ 832-748-5438 or email [donai.jones@inspirediagnostics.com](mailto:donai.jones@inspirediagnostics.com) for any questions, comments, concerns and changes to the order.
